

BASIC ROOFING

TWO DAY

A basic introduction to pitched roofing and the fundamental principles behind tiling a roof and the use of Redland tiles and components.

Popular with our merchants and contractors, this course is ideal for those seeking an introduction to roofing and those new to the industry.

OVER THE TWO DAYS YOU WILL:

- Gain a knowledge of the history and innovation of Redland tiles and components
- Learn the basic principles of tiling a roof
- Be brought up to date on changes to British Standards
- Be introduced to estimating and measuring roofs
- Learn how you can use Redland literature and technical support to assist you
- Install a full tiled roof system
- Practise the craft of working with clay plain tiles

DURATION

Held across two days, with a 9am start both days and an approximate 4pm finish. Teas, coffees and lunch provided.

TO BOOK

Simply call 01285 863543 or email training.redland@monier.com to find out the next available course dates.

COST

This course is free of charge to account holding merchants, contractors and distributors. A fee of £145 + VAT is chargeable for other delegates.

“Very good training given and good ‘hands-on’ experience – the course could not be better.”

Nigel, Jewson Roofing
