PROJECT

Is the project a:

New Building

Refurbishment

Do you have a minimum power requirement? No / Yes _____ kWp

Do you have a minimum output requirement? No / Yes _____ kWh/yr

Is the use of renewable energy a planning requirement? No / Yes

What is the intended use of the building?

Private Residential

Non-housing (e.g. schools, hospitals, church, etc).

Public Residential

Commercial / Industrial (e.g. business premises)

What is the current stage of the project?

Pre-planning

Planning submitted

Reserved matter granted

Planning approved

Tender awarded

Construction

Other services required

SpecMaster

FixMaster

QuantMaster

ViewMaster

DesignMaster (CAD Drawings)

NOTES

Horizontal lines for notes.
