# EcoMaster:
## Solar PV Project Initiation Form

### PERSONAL DETAILS
- **First Name:** _____________________________
- **Surname:** _____________________________
- **Job Title:** _____________________________
- **Company:** _____________________________
- **Company Address:**
  - ________________________________________
  - ________________________________________
- **Postcode:** _____________________________
- **Tel:** _____________________________
- **Email:** _____________________________
- **Profession:**
  - [ ] Specifier/Architect
  - [ ] Self-builder
  - [ ] Home-owner
  - [ ] Main contractor
  - [ ] Other _____________________________
  - [ ] Please tick here if you would prefer NOT to be contacted by email by Redland with the latest industry and Redland news.

### SITE DETAILS
- **Site Name:** _____________________________
- **Address:** _____________________________
  - ________________________________________
  - ________________________________________
- **Postcode:** _____________________________
- **PROJECT START DATE**
  - _____________________________ (month / year)
  - _____________________________ (AM)
  - _____________________________ (EMPV)

### TO BE FILLED IN INTERNALLY

### ROOF ZONE DETAILS

<table>
<thead>
<tr>
<th>Which product are you considering – PV Tile or InDaX?</th>
</tr>
</thead>
<tbody>
<tr>
<td>☐ 50 Double Roman</td>
</tr>
<tr>
<td>☐ Mini Stonewold</td>
</tr>
<tr>
<td>☐ MockBond Mini Stonewold</td>
</tr>
<tr>
<td>☐ InDaX PV System (please state proposed roof covering)</td>
</tr>
</tbody>
</table>

What is the planned orientation of the PV tiles? ____________________________________________ degrees

Alternatively, please select the approximate orientation:

- [ ] North (0°)
- [ ] South (180°)
- [ ] East (90°)
- [ ] West (270°)
- [ ] North East (45°)
- [ ] South East (135°)
- [ ] North West (315°)
- [ ] South West (225°)

What is the pitch of the roof? ____________________________________________ (degrees)

What is the width of the roof? ____________________________________________ (m)

What is the length of the slope? (eaves – ridge) ____________________________________________ (m)

Are there any roof windows, dormers, chimneys etc.? ......................................................... No / Yes

Please provide drawings/photos indicating their location.

Are there any surrounding features that may cast shadows onto the roof? (trees, adjacent buildings etc.) ......................................................... No / Yes

If yes, how would you rate the shading?  ☐ Little  ☐ Modest  ☐ Significant  ☐ Heavy
PROJECT

Is the project a:

☐ New Building
☐ Refurbishment

Do you have a minimum power requirement? ........................................ No / Yes____________________________________ kWp
Do you have a minimum output requirement? ........................................ No / Yes____________________________________ kWh/yr
Is the use of renewable energy a planning requirement? ........................................ No / Yes

What is the intended use of the building?

☐ Private Residential
☐ Public Residential
☐ Non-housing (e.g. schools, hospitals, church, etc).
☐ Commercial / Industrial (e.g. business premises)

What is the current stage of the project?

☐ Pre-planning
☐ Planning approved
☐ Planning submitted
☐ Tender awarded
☐ Reserved matter granted
☐ Construction

Other services required

☐ SpecMaster
☐ FixMaster
☐ ViewMaster
☐ QuantMaster
☐ DesignMaster (CAD Drawings)
